

# MORTAR DRAINS

## SHOWER DRAIN MOLD PREVENTATIVE

### Installation Instructions:

Model **UNIV-1** (Universal Model) Fits most shower drains

- A. Bolt hole "A" is used with all drains.
- B. For drains with 4 bolts, remove "A" and "B" holes.
- C. For drains with 3 bolts remove "A" and "C" holes.
- D. For drains with larger diameter necks, tear out the inner radius (circle).

Lay the Mortar Drain filter over "TOP" of the floor drain clamping ring. (ON TOP OF THE WEEP HOLES). The filter should lay flat over the clamping ring, fitting around any bolt heads that might be located on the top of the clamp ring.

**WARNING:** Do not install filter underneath clamping ring, this will cause shower to leak.

U.S. PATENT #5,216,767

Part No.	Description
UNIV-1	UNIVERSAL
DS62	For DD2T/DD23T

The **Mortar Drain** is a porous filter designed to protect the weep holes located on the clamping ring of the drain. The filter keeps the weep holes and ring surface clear of mortar. The porosity of the filter and clear weep holes allows for rapid water drainage.

(**Notice:** This filter is not a water proof device. In no event should the seller or the manufacture be liable for any damages caused by a leaking shower.)

### LIMITED WARRANTY

Since the installation of this product is beyond the control of the manufacturer and the seller, the liability of the manufacturer and seller shall be limited to replacement of the product. The manufacturer warrants that the "Mortar Drain" is manufactured free of defects in material and workmanship. Due to the varying conditions under which this product is used or installed, the manufacturer offers no warranty as to the length of service or suitability for any particular purpose, of merchantability or any other warranty, whether expressed, implied, oral or written, in no event shall Dallas Specialty be liable for incidental, indirect, special or consequential damages. Whether due to breach of warranty, contract or negligence. Any action for breach must be brought within 30 days of delivery. The manufacturer retains the right to make changes or improvements to the product from time to time.
